## Battle-born — *Home really does mean Nevada!*

If you haven't heard the state song, click on this link: <https://youtu.be/u-D9rOwKj04>.  
The Golden Knights play it at every home game.

**1990:** I started my career in escrow during a time when the industry was transitioning from typewriters to computers (yes, I was a teenager when it all began).

**2001:** Having proven that I could run a successful escrow desk, I was promoted to Branch Manager.

**2013:** Outside of the office, one of my favorite things to do is spend time in nature. My favorite hike of all time was the climb to the top of Angels Landing at Zion National Park in Utah (it took me a minute to get up there, but I would do it all again if anyone else wants to go!).

**2018:** These days, I'm still closing deals while leading the Green Valley branch in Henderson, NV. Don't let their appearance fool you—even though they look like zombies, these ladies are the best escrow staff in town!
