

CA COUNTY RECORDER STATUS

The following is a list of California Recorder's office closures to the public and directory of available eRecording services. This information is provided for general purposes ONLY and is deemed reliable but not guaranteed. The status of many counties is changing rapidly. Please, always contact your escrow officer for the current status of your transaction, and contact your county office directly for recording information.

All California County Recorder offices are presumed closed to the public until further notice.

(Updated March 24th, 2020. Please contact your local Lawyers Title Representative if you know of any changes to the information below.)
